Welcome to Britannia in Egypt

Britannia in Egypt

Britannia can offer you a door to door service to Egypt, and can either ship your effects by sole use container, or for smaller shipments in a wooden crate (LCL). In addition we can offer a door to door airfreight service to some destinations in Egypt. Our agents in Alexandria will arrange customs clearance, deliver and unpack the effects, including removal of debris on day of delivery.

Importing Personal Effects

Shipments of used household and personal effects are dutiable and must be imported within six months from the shippers personal arrival. A work permit or a six month residence permit is required. A Bank Guarantee or cash deposit covering the duties must be lodged with customs. If the effects are re-exported these charges are normally reimbursed. Serial numbers of electrical appliances must be written on the packing list.

Your local Britannia Member will provide you with detailed customs regulations.

Documentation

Britannia and our agents will assist you with completion of customs formalities. To assist us with this please let us have a copy of your passport (and Visa if applicable).

The required documentation will be supplied to you on arrival. To avoid any potential additional charges and delays it is advisable that relevant forms are completed and returned promptly to our Agents.
